

2016 Turkey Tournament

What is it: Every Thanksgiving weekend, a few regions organize a soccer tournament open to AYSO teams in divisions U10 and up. North Valley has traditionally put together at least one team from each division to participate in the tournament. Depending on the tournament, each team will play 3 to 5 games over the course of the weekend against teams from other regions. This is a great opportunity for players to experience something that they might not otherwise get a chance to do. The focus for this tournament is just to have fun.

When: November 25-26 (possibly the 27th as well)

Where: The location has not yet been determined.

Eligibility: It is tradition here at North Valley that participation in the Turkey Tournament be reserved for players related to board members, head coaches and returning referees, as a way to thank them for all of the hard work they do. With that in mind, eligibility will be limited to the following:

- Players related to currently sitting board members
- Players related to 2016 Fall head coaches (includes head coaches from all divisions)
- Players related to returning referees (meaning a current referee who also refereed in our region last year)
- Players who are themselves Regional Referees or Junior Referees

Cost: This will be determined once it is decided which tournament we will attend. Generally, the cost ranges from \$50 - \$70 per player, and may include a referee deposit that the team would get back if they provide referees. Also, there will be a uniform deposit, which will be returned when you return the uniform.

If you meet these eligibility requirements, and you are interested in participating in this tournament, please fill out the request form below and return it to the team parent box, by October 22, 2015. There will be a folder for the Turkey Tournament.

Important Note: Since the number of players who request to be on a team can vary, there is no guarantee that there will be room for your child on a team. If we receive requests from more players than we have room for, it will be up to the coach to decide which players make the team.
